

# DSL Modem Maintenance Plan

## For Residential And Business Subscribers

**BIT  
DSL Modem  
Maintenance  
Plan gives you  
Peace of mind  
Knowing that  
If something  
Happens to  
Your modem,  
You are covered.**

### What is Covered?

This plan covers your existing modem (purchased from Buggs Island Telephone) that you are using at your home or business.

What the plan covers:

- ❖ Storm Damage
- ❖ Lightning Strikes
- ❖ Power Surges

BIT will replace up to 2 modems per year that have been damaged and are not working.

### Low Monthly Rates

Residential     \$4.99

Business        \$4.99

*• Must be subscribed to Modem Maintenance for 30 days prior to Modem Maintenance replacement is needed.*

*• Premises visits and labor by technicians are not covered by Modem Maintenance, only the cost of the Modem.*
